

Fall Fundraiser November Communication

Juliette Managers

Fall Fundraiser Program is coming to a close on November 7th. You and your Juliette will have until November 9th to make edits to in-person orders and reward preferences. The Fall Fundraiser Service Unit Manager will email you details about when and where to pick up your product in early December.

Remember, as a Juliette, proceeds from the Fall Fundraiser Program will be calculated based on a tiered rate of all participating Juliette's.

You will receive an email at the beginning of January with details on the amount owed to GSH-PA and your Juliette's earned proceed amount. (disregard Banking and Payment report in M2 as this only applies to traditional troops)
